

Card name : Bottomless Vault

Types : Land

Card Text : Bottomless Vault comes into play tapped.

You may choose not to untap Bottomless Vault during your untap phase and instead put a storage counter on it.

At the beginning of your upkeep, if Bottomless Vault is tapped, put a storage counter on it.

Remove any number of storage counters from Bottomless Vault: Add to your mana pool for each storage counter removed this way.
